

Graham Sales
SAFARIS

MIND AND HEART OPEN TO NATURE

General information:

We suggest making use of a Travel Agent as they provide all the necessary information about passports, visas, travel permits, health certificates, inoculations, and other documentation required.

Hunters' Support Services (South Africa based)

Contact: Anne Gaines-Burrill
E-mail: air2000@global.co.za
Work: +27-11 659 2649

Global Rescue

Graham Sales Safaris Pty. Ltd is a safe travel partner with Global Rescue and recommend that all our guests purchase travel insurance to cover trip cancelation, medical emergencies, field evacuation, emergency assistance and travel delays. I would like to introduce Justin Walker with Global Rescue. Justin can advise regarding travel insurance and emergency services.

Contact: Justin Walker
E-mail: jwalker@globalrescue.com
Mobile: +1 (435) 680 - 2566
Office: +1 (617) 210 – 8110

Important information:

- We need a signed copy of the Safari contract emailed back to our offices as soon as the deposit has been paid.
- Please complete our "dietary requirements" as well as the "release of liability" document and email back to us.(these can be downloaded from our website www.grahamsalessafaris.com)
- We need a CLEAR scanned copy of each hunters' passport, the last two pages – please see example below. (no photo of a passport will be accepted)
- PLEASE SCAN EACH DOCUMENT AS A COMPLETE INDIVIDUAL DOCUMENT AND EMAIL BACK TO OUR OFFICES. PLEASE DO NOT SCAN ALL DOCUMENTS AS ONE ALTOGETHER.

PASSPORT

Our offices need a clear scanned copy of each hunter's passport.

(please don't send us a photo of your passport. Our offices needs to send a clear scanned copy of your passport and your signed Safari contract(with specific species) to our Nature Conservation offices to apply for the necessary hunting permit/s.

General packing list – guideline only.

- Ammunition in a locked container (please confirm with Hunters' Support regarding the weight restrictions on ammunition for different airlines as well as the regulations on how to transport ammunition)
www.hunterssupport.com
(South African law says you can bring 200 rounds per firearm per caliber into South Africa BUT the airline regulation only allows you 11lbs of ammunition including the locked box (which is approximately 100 rounds of .375 ammo in weight). If the person is under 21 years of age they cannot carry any ammunition)
 - Ammunition pouch
 - Binoculars (8 x 30 or 10 x 40 or 10 x 32)
 - Camera - Extra memory card - Memory stick to download pictures
 - 220 to 110 volt converter
 - Comfortable attire to wear around camp at night
 - Comfortable, well-worn hunting shoes/boots
 - 3 - 4 Pairs of socks
 - 3 x Shirts (hunting shirts)In general darker green works well in all Safari areas
 - 2 - 3 Pairs of hunting shorts
 - 2 - 3 Pairs of hunting trousers (during June & July we usually wear long pants while hunting)
 - During June / July we recommend you bring gloves and a beanie and a warm jacket
 - Flashlight & batteries
 - Hat and belt
 - Insect repellent - only necessary during warm months (March / April / September / October)
 - Insurance information and medical prescriptions
 - Passport (make copies of all paperwork and put in a separate bag or your rifle case)
 - Rifle, sling & soft bag (we have rifles to rent, please confirm availability well in advance)
 - Sunglasses, sunscreen, Chapstick and toiletry bag
- # Laundry is done daily in our hunting camps in South Africa (except on travel days)
May, June & July are our coldest months in South Africa, with June & July being the middle of winter.
#If you would like to have your Safari filmed by a professional, we suggest Brett Lambrecht from Africa Video Productions who we have been working with for over 15 years. www.africavideo productions.com
