

Join us for the ultimate game viewing Safari in the world-renowned Kruger National Park

Our game drives are conducted in both open 4x4 safari and closed air-conditioned vehicles. The majority of our international clients choose the open 4x4 safari vehicle option as it does offer an elevated view of excellent photographic opportunities and a more panoramic experience.

However, it should be pointed out that the closed vehicle is a good alternative for a rainy, cold or extremely hot days.

Lion, Elephant, Leopard, Rhino, Buffalo (Africa's Big 5) and the plains game species like Impala, Blue Wildebeest and Zebra are just a few of Kruger's abundant wildlife to experience in their natural environment.

Guests will be provided with a generous packed breakfast which are at one of the rest spots in the park. Lunch is for your own account and can be enjoyed at one of the camp's restaurants. Guests will return to camp in time for dinner.
